## GROUNDS RULES AND INFORMATION

Golf cart and "gator/mule" permits will be distributed by AOHA at a cost of \$10 and may be obtained at the window of Crawford arena. At all times, drivers of these vehicles must be 16 years or older and driver must operate the vehicle in a safe manner subject to a \$100 fine & permit being revoked.

If called for **drug testing**, exhibitor and horse have five minutes from notification to report directly from the arena to the veterinarian.

Anyone caught with **horses in the camping areas, any day or night prior to or during the show, at any time of day or night & for any length of time**, will be removed from the grounds and disqualified from showing for that year! No exceptions & no refunds. Unload your horses from your trailer before you enter the camping areas.

No horses allowed on the show grounds before noon Thursday without the permission of AOHA Chairman, Jimmy Avery.

No scooters (gas, electrical or manual), four wheelers, mopeds, bicycles or motorcycles allowed on the show grounds at any time or day.

If you miss your cut in judged events or turn to ride in timed events, (without permission of AOHA) you will be disqualified from that class. Be aware the number of cuts in a class or number of riders in a timed event may change during the day. **It is important to inform AOHA if you choose to scratch from your class.** Please assist us and other exhibitors by doing so.

Please make sure all **back or saddle numbers** are stored in a secure location. Replacement is not guaranteed. Make sure the correct number is worn for the correct horse/exhibitor combination. Do not alter, deface, cut or decorate the number under penalty of disqualification. It is recommended you laminate your number to protect it from weather and wear. Lamination of numbers will be available at the Crawford office for a small fee.
